Kennett Square Pa 6mo 28th 1853

Esteemed Friend

Thy letter dated May 19th was duly received
96 and read to the Conference which was largely attended and the intense interest manifested throughout its sessions gave promise of an abundant harvest of good fruits in the future.

The Convention adopted a minute of organization with cordial unanimity - taking the name of the Pennsylvania Yearly Meeting of Progressive Friends. We, as officers of the meeting were directed to communicate by letter, with thee and transmit a copy of the printed proceedings, with our grateful acknowledgements and love.

Hoping thou will give us thy personal attendance at our first anniversary, with very kind and affectionate consideration we are thy friends.

Signed by order of the Pennsylvania Yearly Meeting of Progressive Friends, held at Old Kennett from the 22nd to the 25th inclusive, of the 5th month (May) 1853.
